INDIANA STATE LAW CONCERNING USE OF PARTY LINES IN CASE OF EMERGENCY

A Statute enacted by the 1955 Indiana Legislature makes it unlawful to misuse party line telephone service in cases of emergency. An emergency is defined in the law as "a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential." The law, in part, reads as follows:

Section 2. It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

Section 3. It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

About Our Cover

On our front cover is a full-color reproduction of the winning entry in the 1966 directory art contest sponsored by Illinois Bell Telephone Company in honor of the Indiana Sesquicentennial.

Titled "Dune Bog," it was painted by Thomas Sallak, 23, of Dyer, Indiana. The judges commented, "A mature and subtle handling of an intriguing moment in nature. The artist manipulates watercolor, a very difficult medium, toward a progressive visual experience."

The competition was conducted with the support and cooperation of the Gary Artists League and the Northern Indiana Art Salon Patrons Association, which we gratefully acknowledge.

This contest was sponsored because of Illinois Bell's interest in the continued cultural growth of the communities we serve. We hope it will help encourage artists and interest in art.

Area Codes speed your long distance calls

Dial "1," first, then the distant Area Code when different from yours. Do not dial the Area Code when it is the same.

Even on calls you must place with the Operator, the Area Code will help you get them through faster. Just give her the Area Code (when different from yours) and the telephone number you want. For example, say "Area Code 311, 555-2368."

Helpful Information

YOUR TELEPHONE NUMBER IS IMPORTANT

It's smart to make it easy for people to reach you. So why not include your telephone number on your stationery, statements and all advertising pieces? Show your Area Code, too—it helps distant parties call you faster.

For example: Telephone

Area Code 311
555-2368

DIRECTORIES—FOR OTHER CITIES

Need a directory for some other city you call frequently? Just call your service representative at your telephone business office.

TELEGRAMS BY TELEPHONE

You may telephone telegrams, cablegrams, or radiograms to the Western Union Telegraph Company and have the charges appear on your telephone bill. You may also telephone your Western Union telegrams from coin telephones, paying as you would for a telephone call.

RECORDED TELEPHONE CONVERSATIONS ("Beep" tone)

If you hear a "beep" tone at fifteen-second intervals, your telephone conversation is being recorded by the person you are talking to. This signal is transmitted automatically whenever a recording machine is connected to the line. It is for your protection.

If you do not want a record made of what you are saying, ask the person with whom you're talking to disconnect the recording machine. The "beep" signal will stop when the recorder is disconnected. Use of a recorder without this signal is contrary to Company tariffs and is not permitted.

EMPLOYEE IDENTIFICATION CARDS

For your protection, any employee who visits customer premises carries an official identification card showing his or her name, photograph and signature. If you have the slightest doubt about anyone who says he's "from the Telephone Company," ask to see his card.

UNAUTHORIZED EQUIPMENT

The Telephone Company furnishes all equipment necessary to provide telephone service. In the interests of safety and good service, no equipment, apparatus or device not fur-

nished by the Telephone Company may be attached to, or used or connected with, its facilities, except as provided in the Company's tariffs.

ANNOYANCE PHONE CALLS

The Telephone Company is concerned about obscene and harassing calls and is trying to stop them. You don't have to talk or listen to such calls - just hang up.

If the calls persist, call your Service Representative at the Telephone Business Office. The Company wants to preserve your right to privacy.
